

Tyson Shields

Lincoln, Nebraska | Hybrid + Remote | tysonshields00@gmail.com | linkedin.com/in/tysonshields | github.com/tysonshields
Data analytics, automated systems infrastructure, and live media production.

PROFESSIONAL SUMMARY

Operations-focused analyst and systems engineer who pairs mathematical modeling with clear execution. Experienced in Python ETL pipeline development, multi-carrier corporate benefits administration, self-hosted Linux virtualization clusters, and high-tempo live television broadcast direction. Holds an active State of Nebraska Health and Life Insurance License and dual degrees in Mathematics and Broadcasting from the University of Nebraska–Lincoln.

PROFESSIONAL EXPERIENCE

UNICO Group — Client Service Specialist

June 2025–Present | Lincoln, Nebraska (Hybrid)

- Administer medical, dental, vision, life, disability, and retirement benefit portfolios for corporate accounts across self-funded, level-funded, and fully-insured plan designs.
- Conduct forensic cross-reconciliations between carrier premium billing statements, payroll deduction ledgers, and HRIS census files to eliminate billing discrepancies and enrollment gaps.
- Manage ERISA, HIPAA, COBRA, FMLA, and ADA regulatory compliance and coordinate pre-tax accounts (HSA, FSA, Limited Purpose FSA, Dependent Care FSA) and disability claims.
- Operate iSolved and Paylocity enterprise platforms to manage Qualifying Life Events (QLEs), employee onboarding, leaves of absence, and annual open enrollment.
- Serve as direct operational broker liaison across national carriers including Cigna, Ameritas, Unum, Guardian, Auxiant, Principal, Mutual of Omaha, Assurity, and Pacific Life.
- Apply an active State of Nebraska Health and Life Insurance License to interpret summary plan descriptions (SPDs), deductible tiers, and maximum out-of-pocket provisions.

UNICO Group — Data Analyst & IT Intern

May 2024–June 2025 | Lincoln, Nebraska

- Engineered custom Python (pandas) and Power Query ETL workflows, reducing monthly report turnaround time by 30% and eliminating manual spreadsheet copy-paste routines.
- Designed and instrumented interactive Power BI operational dashboards for executive visibility into renewal loss ratios, client retention, and policy distributions.
- Built automated deduplication, normalization, and schema validation routines prior to major enterprise system database migrations.
- Shadowed cross-departmental operations to identify administrative bottlenecks, subsequently authoring formal Standard Operating Procedures (SOPs).

10/11 News / Gray Television — Technical Media Producer

November 2023–June 2025 | Lincoln, Nebraska

- Directed split-second live newsroom pacing, block transitions, and rundown timing across morning, evening, and weekend newscasts using AP ENPS with a spotless 0.0s downtime record.
- Programmed and operated robotic studio camera pedestals, PTZ cameras, and automated teleprompter feeds live during multi-anchor broadcasts.
- Audited on-air lower thirds (chyron), over-the-shoulder graphics, video packages, and remote satellite/reporter feeds prior to transmission.
- Adjusted broadcast rundowns on the fly alongside executive producers, anchors, and directors during breaking weather alerts and live press conferences.

10/11 News / Gray Television — Production Intern

November 2023 | Lincoln, Nebraska

- Executed studio floor directing, lavalier microphone rigging, studio lighting checks, and anchor cueing under live countdowns.
- Shadowed master control operators on satellite feed ingestion, line-switching matrices, and transmitter telemetry monitoring.

Kawasaki Motors Manufacturing — Purchasing Intern

January 2022–July 2022 | Lincoln, Nebraska

- Researched industrial suppliers, evaluated cost structures, and compared multi-vendor quotes for mechanical components and raw materials.
- Generated, audited, and expedited purchase orders with domestic and international freight forwarders, maintaining assembly line uptime.

SELECTED LEADERSHIP & OPERATIONAL COMMAND

Campus NightLife — Director of Operations

May 2023–May 2025 | Lincoln, Nebraska

- Directed on-site logistics, crowd safety perimeters, entry queues, and security protocols for campus evening programs serving 2,000+ university student attendees per event.
- Recruited, scheduled, and supervised teams of 20+ student staff and volunteers across 6-hour event shifts.
- Negotiated contracts with third-party vendors, equipment rental houses, and university facility managers; analyzed post-event attendance metrics.

Delta Sigma Phi / Alpha Psi Chapter — Chapter President, Secretary, VP Recruitment

November 2021–November 2024 | Lincoln, Nebraska

- **President (2023–2024):** Managed chapter operations, annual operating budgets, national risk management bylaws, and university administration relations.
- **VP of Recruitment (2022–2023):** Built data-driven candidate tracking pipelines and structured recruitment outreach campaigns.
- **Secretary (2021–2022):** Overhauled chapter documentation systems, compiled executive minutes, and filed national compliance reports.

UNL Global Eyewitness Presentation — Livestream Technical Director & Producer

May 2025 | Lincoln, Nebraska

- Directed multi-camera live video switching, audio DSP levels, and graphics overlays for an international photojournalism documentary showcase.

Kamp Kaleo — Youth Program Counselor

June 2025 | Burwell, Nebraska

- Supervised youth through residential outdoor challenge programs; facilitated conflict de-escalation and safety management.

EDUCATION & CREDENTIALS

University of Nebraska–Lincoln (Lincoln, Nebraska)

- **Bachelor of Science in Mathematics** — Specialization in Statistics and Data Science
- **Bachelor of Journalism in Broadcasting** — Specialization in Media Production
- **Minor in Informatics**
